REF: Docket #00P-1211/CPI

Dear Ms. Henney,

I'm writing in support of the Center for Food Safety's legal petition demanding mandatory pre-market safety testing, environmental review & labeling of all genetically engineered foods.

I do not wish to eat genetically engineered foods & can only make that decision for myself if foods are tested & labelled accordingly.

Sincerely,

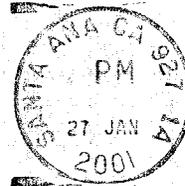

CINDY SCHAFFER

00P-1211
